

# Public Health Announces 65 Additional Positive Cases of COVID-19, 11 New Deaths

*Note: This press release has been updated to correct an error in the long-term care facility section.*

SMYRNA (May 29, 2020) – The Delaware Division of Public Health (DPH) is announcing 11 additional fatalities related to coronavirus disease 2019 (COVID-19) and is providing an update on the number of positive cases and recovered individuals. All data reported through the daily updates are based on data received as of 6:00 p.m. the previous day.

Health care systems and hospitals continue to schedule testing at their free standing sites. Information regarding the free-standing testing sites, as well as additional community testing sites as they are scheduled, will be listed on the testing section of the Delaware coronavirus website at: <https://coronavirus.delaware.gov/testing/>.

DPH is sharing information regarding the following upcoming community testing events:

The State will conduct a saliva-based testing event on Tuesday, June 2, 2020, from 10:00 a.m. to 2:00 p.m. at Beacon Middle School, 19483 John J Williams Highway, Lewes. People are strongly encouraged to pre-register at [delaware.curativeinc.com](https://delaware.curativeinc.com) to reserve your place and reduce wait time for this viral test. Limited on-site registration will be available. Individuals are asked not to eat, drink, or brush your teeth for 20 minutes prior to taking the test.

In total, 356 Delawareans have passed away due to complications from COVID-19. Individuals who have died from COVID-19 ranged in age from 21 to 103 years old. Of those who

have died, 187 were females and 169 were males. A total of 163 individuals were from New Castle County, 62 were from Kent County, and 131 were from Sussex County.

The most recent deaths announced today ranged in age from 45 to 95. Ten of the individuals were female and one was male. Eight were New Castle County residents, one was a Kent County resident, and two were Sussex County residents. Ten individuals had underlying health conditions and five were residents of long-term care facilities.

To protect personal health information, DPH will not confirm specific information about any individual case, even if other persons or entities disclose it independently.

The latest Delaware COVID-19 case statistics\* cumulatively since March 11, provided as of 6 p.m., Thursday, May 28, include:

- 9,236 total positive cases
- New Castle County cases: 3,629
- Kent County cases: 1,401
- Sussex County cases: 4,155
- Unknown County: 51
- Females: 5,091; Males: 4,117; Unknown: 28
- Age range: 0 to 103
- Currently hospitalized: 183; Critically ill: 32 (This data represents individuals currently hospitalized in a Delaware hospital regardless of residence, and is not cumulative.)
- Delawareans recovered: 5,103
- 48,297 negative cases\*\*

*\*Data are provisional and subject to change.*

*\*\*Data on negative cases are preliminary, based on negative results reported to DPH by state and commercial laboratories performing analysis.*

Additional demographic data on COVID-19 cases and deaths,

including race/ethnicity, more age-specific data and rates information by ZIP code, can be found on the Division of Public Health's My Healthy Community data portal.

Delaware is considering patients fully recovered seven days after the resolution of their symptoms. Three days after symptoms resolve, patients are no longer required to self-isolate at home; however, they must continue to practice strict social distancing for the remaining four days before returning to their normal daily routine.

## **Long-term Care Statistics**

Information related to positive cases and deaths among residents at long-term care facilities will be updated weekly each Friday, using information reported as of 6 p.m. Thursday. - Sunrise Assisted Living, Wilmington (2)
- Westminster Village, Dover (6)
- Five other New Castle County long-term care facilities (1 death at each facility)
- Two Sussex County long-term care facilities (1 death at the facility)

If you are sick with any of the following symptoms, stay home: fever, cough, shortness of breath, sore throat, muscle aches, fatigue, chills, shaking with chills, loss of smell or taste. Other symptoms such as headache or digestive symptoms (vomiting, diarrhea, abdominal pain or lack of appetite) have been identified as potential symptoms related to COVID-19 and may prompt further screening, action or investigation. If you are sick and need essential supplies, ask someone else to go to the grocery store or the pharmacy to get what you need.

If you believe you have been exposed to someone with COVID-19, or have symptoms of illness, make sure to distance yourself from others, particularly vulnerable populations. Older adults and people of any age with serious underlying medical conditions – including serious heart conditions, chronic lung conditions, including moderate to severe asthma, severe obesity and those who are immunocompromised, including through cancer treatment – may have a higher risk for severe illness from COVID-19.

Individuals who have complaints about out-of-state individuals violating the Governor's State of Emergency Order, or

violating the public gathering restrictions, should contact state or local law enforcement. Concerns that a business may be violating operating restrictions should be directed to: COVID.D0J@delaware.gov. Questions related to business reopenings or operations as businesses reopen should go to COVID19FAQ@delaware.gov.

Individuals with questions about COVID-19 should call Delaware 2-1-1, or email [info@delaware211.org](mailto:info@delaware211.org). Individuals who are deaf or hard of hearing can text their ZIP code to 898-211. Hours of operation are 8:00 a.m. to 9:00 p.m. Monday through Friday; 9:00 a.m. to 5:00 p.m. Saturday and Sunday. Medically related questions regarding testing, symptoms, and health-related guidance can be submitted by email at [DPHCall@delaware.gov](mailto:DPHCall@delaware.gov). Questions regarding unemployment claims should be emailed to: [UIClaims@delaware.gov](mailto:UIClaims@delaware.gov).

In addition, the Division of Public Health asks any Delaware health care, long-term care, residential, or other high-risk facility with questions or concerns to email: [DPH\\_PAC@delaware.gov](mailto:DPH_PAC@delaware.gov) or call the DPH Call Center at 1-866-408-1899 and press ext. 2.

DPH will continue to update the public as more information becomes available. For the latest on Delaware's response, go to [de.gov/coronavirus](https://de.gov/coronavirus).
